GE Grid Solutions

**P60N Display for EPM 9450 or EPM 9650**

**End-of-Manufacturing Notice**

Excerpt from GE Publication Number: GER-4873

**Issue Date:** 31st October 2019

**Copyright © 2019 General Electric**

---

**Background**

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions is discontinuing the manufacture and sale of **P60N Display for EPM 9450 or EPM 9650** including all models, configurations, mods and accessories, but not retrofit kits. This notice does not apply to any other model not explicitly listed.

</table>

**Support Timeframe**

GE is committed to supporting our customers' protection and control needs. GE's warranty provision is unaffected by this End-of-Manufacturing Notification. After the published last order dates elapse, a repair service follows subject to material availability, which extends to repairing failed components and modules, but not to providing advanced replacements or a newly-produced finished identical product or new module as a replacement/spare. Customers should contact GE if they need further information concerning the level of service that is provided on a per product basis.

**For Additional Information**
