### Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions has discontinued the manufacture and sale of **RTD option R for 8 Series relays**. This notice does not apply to any other model not explicitly listed.
