---

## Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of supply for older products or design variants.

GE Grid Solutions is discontinuing the manufacturing and sale of **2-Core Option for G500** as identified in the table below.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
<b>G500 2-Core Option</b> Order codes: G500Axxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx	<b>Contact GE for availability</b>	<b>G500 4-core Option</b> Order codes: G500Bxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx

## Support

GE’s warranty provision is unaffected by this End-of-Supply Notification. A repair service for products no longer under warranty maybe offered subject to material availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact GE if they need further information concerning the level of service that is provided on a per product basis.

## For Additional Information

If we can provide assistance with migration to new products, please contact us for help. Advice and assistance are also available via: <http://www.gegridsolutions.com/contact.htm?loc=3> or <http://www.gegridsolutions.com/multilin>
