

735/737 End-of-Manufacturing Notice

Excerpt from GE Publication Number: GER-4795

Issue Date: April 5th, 2017

Copyright © 2017 GE Multilin Inc.

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge support teams, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions is discontinuing the manufacture and sale of **735 and 737 relays** due to newer product replacements being available in the **Multilin 8 Series and/or 3 Series** ranges. This notice does not apply to any other model not explicitly listed.

Last-Time Buy Window

The table which follows outlines the strategy for all affected products - within your organization please plan now the purchase of any additional or spare devices that you feel you may need. Such orders should be routed to us prior to the date shown, with the last dispatch date expected no later than quoted in the table.
