Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions is discontinuing the manufacture and sale of **IBCG and IBCV** relays due to newer product alternatives being available in the **Multilin 3 Series and P40 Agile ranges**. This notice does not apply to any other model not explicitly listed.
