Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

In April 2017, GE announced the discontinuation of manufacture and sale of the **MIFII and MIVII** due to newer product replacements being available in the **Multilin 3 Series**, and offered a Last-Time Buy opportunity.

As of February 28th, 2018, the Last-time Buy Window for the MIFII and MIVII has been extended as outlined below.

This notice does not apply to any other model not explicitly listed.

Last-Time Buy Window

The table which follows outlines the strategy for all affected products - within your organization please plan now the purchase of any additional or spare devices that you feel you may need. Such orders should be routed to us prior to the date shown, with the last dispatch date expected no later than quoted in the table.

| PRODUCT | LAST ORDER DATE | LAST DELIVERY DATE | ALTERNATIVE |
|---------|------------------|--------------------|------------------|
| MIFII | 1st October 2018 | 31st December 2018 | 350 feeder relay |
| MIVII | 1st October 2018 | 31st December 2018 | 350 feeder relay |

Visit our website at <http://www.gegridsolutions.com/multilin/selector/> for more information about alternative products.
